2<sup>nd</sup> June 2025

# Acknowledgement of Country

We acknowledge the first inhabitants of this land who arrived on this island continent over 65,000 years ago.

We acknowledge that via The Dreaming and Songlines, our first Australians united 250 different Nations living in many different eco-systems.

We acknowledge that they shared this land and produced sustainable human agriculture for over 50,000 years.

Today we commit to current and future elders to integrate their sustainable practices. Together we can ensure the regeneration and beauty of this island continent for all future Australians.

# PSW... what are we here for?

## Which Permaculture principles are we addressing tonight?

At each meeting, we aim to incorporate or point out as many of the 12 principles as possible.

- How do we see them in action?
- Are we using them in our own gardens?
- Are we applying them in our daily lives and interactions?
